

Amelia Hill

FRONTEND WEB DEVELOPER

Los Angeles, CA

Github: <https://github.com/amehi0index>
LinkedIn: www.linkedin.com/in/amehi0index
Portfolio: <https://www.ameliahill.me>
Email: ameliahill0index@gmail.com

EXPERIENCE

Frontend Developer

Chingu - Apprenticeship

February 2022 - present

- Collaborate with team using agile methodology and pair programming
- Conduct code review and refactoring with team
- Contribute fixes and features to projects using Git and Github

OPEN SOURCE

Volunteer Contributor

freeCodeCamp

January 2022 - present

- Create source questions with references for freeCodeCamp's developerquiz.org

Github: https://github.com/freeCodeCamp/Developer_Quiz_Site

PROJECTS

Ultimate Herbs and Spice Finder - Creator

- Built a full-stack web application utilizing the MERN stack that allows users to search for spices or herbs and complementary foods
- Utilized a public third-party API to find recipes that complement the user's selection

Demo: <http://www.ultimatespicefinder.com>

Github: <https://github.com/amehi0index/mern-spices>

Momentum Clone Application - Creator

- Built a React.js Momentum Clone Application that utilizes a Node.js proxy server to hide API keys and fetch third-party API data
- Utilized CSS3, Node.js, Express.js, public third-party APIs, search engines, local storage

Demo: <https://www.momentum-clone.com>

Github: <https://github.com/amehi0index/react-momentum-clone>

Personal Portfolio - Creator

- Built a website using vanilla Javascript, HTML5 and SCSS / SASS to introduce myself and display my personal projects

Demo: <https://www.ameliahill.me>

Github: <https://github.com/amehi0index/folio>

ABOUT

- Self-motivated learner and resourceful problem solver
- Ability to effectively collaborate with diverse demographics
- Builds responsive UI layouts with smooth interactions and transitions
- Writes readable & maintainable code
- Excellent written and verbal communication skills

SKILLS

Javascript ES6 | HTML5 | CSS3 |
React.js Node.js | Express.js |
MongoDB | API | Git | JSON

EDUCATION

Associate in Science Degree

Computer Programming

Santa Monica College

January 2019 - current

Santa Monica, CA

Honors

Bachelor of Arts

Linguistics - Syntax and Semantics, Japanese Language

Wayne State University

August 2001 - 2005

Detroit, MI

Summa Cum Laude

Phi Beta Kappa Society

RELEVANT COURSEWORK

JavaScript and Dynamic HTML
Advance Java Programming
Database Management Systems
Cloud Computing
PHP Programming

Exercise Logger - Creator

- Built full-stack application with the MERN stack that tracks/logs a user's amount of exercise
- Implemented user login/registration Authentication with JSON Web Token and Bcrypt

Demo: <http://www.exerciselogger.com>

Github: <https://github.com/amehi0index/mern-exercise-logger>
